FLAG FOLD POSITIONS

Six Person Flag Fold

Two Person Flag Fold

FLAG FOLDING DIAGRAM

Begin by holding it waist-high with another person so that its surface is parallel to the ground.

Fold in half the stripes lengthwise **over** the union, holding the edges securely.

Fold **again** lengthwise with the union on the **outside**.

Make a triangular fold by bringing the striped corner of the folded edge to the open edge.

Turn the outer point inward, parallel to the open edge, to form a second triangle.

Folding is continued until the flag is folded in this manner with a Dress and Hand-Off sequence.
